# FAMILY PARTNERSHIPS

to strengthen parents as their child's first teacher

- Read.** Letters, words, picture books, signs, and labels can be found everywhere. Read with your child to build early learning skills.
- Talk.** Rhymes and conversations are building blocks of language learning.
- Play.** There are many ways to play - indoors, outdoors, with movement, games, and toys. Children and adults learn through play!
- Sing.** A parent's voice is their child's favorite sound. Sharing favorite songs is great for oral language development.
- Create.** At home, outdoors, and in the community, there are many ways to explore creativity - making, building, cooking, and more!
